

### REMARKS

Upon entry of this amendment, claims 1, 2, 5-13 and 16-24 are all the claims pending in the application. Claims 45 and 48-50 have been canceled by this amendment without prejudice or disclaimer to the subject matter recited therein.

Applicants thank the Examiner for indicating that claims 1, 2, 5-13 and 16-24 are allowed.

In the Office Action, claims 45 and 50 have been rejected under 35 U.S.C. § 103(a) as being unpatentable over Lee et al. (US 7,366,150) in view of Aburakawa et al. (US 2003/0007214). As noted above, claims 45 and 48-50 have been canceled by this amendment, thereby rendering this rejection moot.

Accordingly, because allowable claims 1, 2, 5-13 and 16-24 are the only claims currently pending in the application, Applicants submit that the application is in condition for allowance, an indication of which is kindly requested.

Respectfully submitted,

Kuniaki UTSUMI et al.
